

**Amendments to the drawings:**

Proposed corrections to Figs. 13, 14, and 15A-D are made in permanent red ink on the attached annotated sheets showing drawing changes attached to this page 8. There are two (2) annotated sheets and identifying material is placed in the top margin of each sheet.

Replacement sheets incorporating the proposed corrections are also attached to this page 8. There are two (2) replacement sheets and identifying material is placed in the top margin of each sheet.

The bifurcated structure of pylons 32a and 34a is disclosed throughout the specification. Moreover, partition wall 59 (Figs. 15B and 15C) is clearly visible in the informal drawings initially filed.

FIG. 1 is a perspective view of a wine glass 10. The glass includes a bowl 48, a stem 32, and a base 14. The stem 32 is divided into a lower section 34a and an upper section 36. An arrow 10 points to the base area.
